

This year marks the start of the 10th year of the Alphington Netball Club. There are about 100 girls and boys from APS participating, starting with the grade 1s in NetSetGo and then teams from grade 2 – 6 across 9 teams from under 9 to under 13 (as well as teams right up to open age)

Saturday 10 Feb was the first day of the new netball season at Banyule. And what a great start – 7 of the 9 teams represented by kids from APS had a win. In the U/11 Chameleons, made up of grade 4's, there were 2 new players and they had 8-nil win!

If you are interested in netball and want to join, please send an email to alphington.netball.club@gmail.com or visit the website at <http://alphingtonnetball.club/> for more info.
