

Week 2 of the netball season this week. Some mixed results but lots of great play. The under 11 Goannas (grade 4s) had another outstanding game, winning 21 – 2, with the new player Izzy Redstone playing like a pro! The U/13 Pixies (grade 6s) also had a successful result with a 21-12 win. We made lot of intercepts. The great coaching we are getting from Julie and Lou is really starting to show out in our play. There were lots of other exciting close games.

We are looking forward to seeing new kids coming into NetSetGo. If you are in Grade 1 and want to get involved, or you are in an older grade and are interested in netball, email the club at alphington.netball.club@gmail.com or visit the website at <http://alphingtonnetball.club/>
