

**ALPHINGTON**  
NETBALL CLUB

**FAST, FIT AND FABULOUS!**

**HELLO TO ALL**

....as we find ourselves well into Season 2 of 2015.

Congratulations to all our players who are performing wonderfully well in the competition; learning skills and strategies of the game of Netball. Team competitive sport is a fabulous way for our kids to learn valuable life skills. We are thrilled to see our ANC teenagers and adult players continue to be active and maintain social connections beyond the primary school gates.

**WE WELCOME NEW PLAYERS of ALL AGES to our club.**

We are committed to finding the best team to suit the combination of skill level and social aspirations for our players.

Our Net Set Go Program has been a great success and we look forward to seeing our youngest starting on court next year. If you have a child that missed this program, look out for 2016 program or contact us directly if you have a new player keen to start competition straight away.

ANC also have a competition mixed team starting up in the U15 age group for some of those "older" siblings who want to return to netball!
